

Units of study for Certificate IV in Interior Decoration (MSF40113)

Unit No	Unit Name	Descriptor	Competencies
MSF0N1	Introduction to Design and Colour	<p>Develop an understanding of the Interior Design and Decoration Industry and what influences design styles.</p> <p>Be introduced to the foundations of design including concept development, elements and principles of design and composition.</p> <p>Explore the inspiring world of colour and learn how to create dynamic colour schemes. Explore the technicalities of paint and learn how to develop industry standard professional specifications.</p>	<p>BSBDES304 Source and apply design industry knowledge</p> <p>BSBDES305 Source and apply information on the history and theory of design</p> <p>BSBDES302 Explore and apply the creative design process to 2D forms</p> <p>BSBDES301 Explore the use of colour</p> <p>MSMENV272 Participate in environmentally sustainable work practices</p> <p>MSFID4001 Research, analyse and apply colour for interior spaces</p>
MSF0N2	Interior Planning and Design Practice	<p>Be introduced to the fundamentals of residential interior design, planning and lighting. Explore all aspects of residential design including designing bathrooms, kitchens, living, bedrooms and outdoor spaces.</p> <p>Visualise space in two and three dimensions through model making and perspective drawing techniques.</p>	<p>CUVCRS04B Produce drawings to communicate ideas</p> <p>CUAACD303 Produce technical drawings</p> <p>MSFID4008 Assess interior light and recommend light fittings</p> <p>BSBDES303 Explore and apply the creative design process to 3D forms</p> <p>CUADES403 Research and apply techniques for application to spatial design</p>
MSF0N3	Interior Design and Decoration	<p>Explore all aspects of interior decoration including furniture, furnishings, upholstery, window treatments and flooring.</p> <p>Learn how to construct an interior scheme and present professional sample boards and specifications.</p>	<p>MSFID4005 Research and recommend soft furnishings for interiors</p> <p>MSFID3001 Source and specify decoration products</p> <p>MSFID4003 Prepare a materials board for client presentation</p> <p>MSFID4011 Determine work health and safety (WHS) implications of interior effects</p> <p>MSFID4006 Research and recommend hard materials and finishes for interiors</p>
MSF0N4	Residential Design	<p>Prepare for the real world by working on an actual residential project. Take a client brief and work through the design stages to the final presentation.</p> <p>Learn essential business skills, prepare a professional resume and portfolio ready to launch your dream career.</p>	<p>MSFID4002 Decorate residential interiors</p> <p>BSBDES403 Develop and extend design skills and practice</p> <p>BSBDES502 Establish, negotiate and refine a design brief</p>

Units of study for Diploma in Interior Design and Decoration (MSF40113)

Units of study for Diploma of Interior Design & Decoration (MSF50213)			
Unit No	Unit Name	Descriptor	Competencies
MSFON5	AutoCAD and Construction for Interiors	Discover the fundamentals of AutoCAD and interior building construction and prepare a comprehensive portfolio of drawings for a range of residential spaces.	MSFID5014 Use CAD applications to complete models and documentation for interior design projects MSFID4001 Research, analyse and apply colour for interior spaces
MSFON6	SketchUp	Create detailed 3D interior imagery using SketchUp. Then import furniture, finishes and lighting from the 3D Warehouse, the world's largest online library.	CUFAN303A Create digital 3D models
MSFON7	Residential Project	In this unit you will investigate the history of interior design styles. You'll learn how to prepare a client brief, undertake a residential site evaluation and develop a full interior design proposal.	MSF105001 Design residential interiors MSFID4010 Research interior design and decoration influences MSFID5004 Specify structural elements, systems and services for interior spaces MSFID5003 Evaluate site for interior design brief
MSFON8	Advanced Colour and Finishes	Learn what drives colour trends and future forecasting as you explore a diverse range of schemes for residential homes, exteriors and public spaces.	No competency
MSFON9	Small Commercial Design	Extend your conceptualisation and design skills to complete a range of small commercial design projects.	MSFID5005 Explore and apply creative design methodologies to interior space MSFID5009 Research and recommend colour and applied finishes
MSFON10	Large Commercial Design	Extend your design and documentation skills through the exploration of a range of large commercial design projects including office, training spaces and retail. Professionally present your projects and portfolio of work using a range of 2D and 3D media.	MSFID5013 Design for small to medium scale commercial or institutional interiors
